La storia tratta la carcerazione del Sig. Artidoro, al secolo Leonardo Confortini. Nasce a Sasso Pisano il 16 Luglio 1879, viene accusato, senza prove, per un fatto non a lui imputabile avvenuto esclusivamente per il suo credo politico, socialista convinto, non in linea al ventennio fascista. La narrazione propone una attenta e dettagliata ricostruzione della vicenda, contemplando il susseguirsi delle accuse infondate e delle frustrazioni subite dal sig. Leonardo Confortini. La descrizione viene supportata da materiale storico. Lettere autografe coeve, ritagli di giornali, atti del processo, fotografie, frammenti di racconti degli anziani del paese di Sasso Pisano e parti di verita conosciute e mantenute fino ad oggi nascoste. Il libro si compone per gran parte della documentazione raccolta nei tre anni di ricerche. The WINGS OF FIRE saga continues! Something deadly is stalking the peaceful RainWing kingdom. RainWings have been disappearing from the forest. When the RainWing queen won't do anything to find her missing tribe members, Glory and her friends set off on their own rescue mission -

which leads them right back into enemy territory. . . .
