Theodor Seuss Geisel—known worldwide as the beloved children’s author Dr. Seuss—produced a body of work that spans more than 70 years. Though most often associated with children’s books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns (“Quick, Henry, the Flit!”), and won Oscars and Emmys for motion picture productions, animated shorts, and features. As founder and president of Beginner Books, his influence on children’s book publishing was revolutionary, especially in the field of elementary readers. Geisel’s prolific career—he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide—and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus*

This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to, and learn to enjoy, nonfiction.

What's better for little readers than a board book? A circular board book! Each title in these cleverly constructed books features one popular animal group. With a simple lift of a flap, children peek inside each animal's unique world. The circular design allows readers to easily seek out which animal to read about in whatever order he or she wants! The bright, beautiful photographs invite both children and adults to explore exciting animal life together or alone. These unique board books will capture the

attention of every child as they inform and entertain them for hours. By lifting the flaps in whichever order they choose, young readers are able to find out all there is to know about their favorite animals living in the zoo. Each circular flap-designed to be opened in any order a child wishes-focuses on one animal and it's life in the zoo. Packed with fun facts, information, and photos, Seek and Peek: At the Zoo brings the zoo to you! How do we make sure children's first introduction to the world of non-fiction is enjoyable and life enhancing? What criteria do we use to ensure a collection of quality books for pleasure? Mallett sets out to answer these questions in this book.

Toddlers and preschoolers are little sponges, absorbing knowledge every minute of the day! Each scene in this best-selling board book format features two extra-sturdy flaps with peek-a-boo holes. Inside the flaps, you'll discover nature-related fun facts. The Baby Einstein friends introduce little ones to animals and habitats in the Grand Canyon, the Great Barrier Reef, the Arctic Circle, and more. Bright, bold illustrations are combined with real-life photographs. Special features: Spot UV on front cover

Young readers are invited to join in a game of peek-a-boo, lifting flaps to find babies behind laundry, umbrellas, and curtains.
